

Exercise 1: Attempt to replicate the black text and fill in your own information for the lists. (**HINT:** You may want to use the package `enumitem` for the third list.

1 Summer

↑ this is a section header

The following is a list of things I did this summer

1. Traveled to California
2. Bought a new puppy
3. Learned L^AT_EX

2 Fall

The following is a list of things I will do this fall starting with number 24

24. Eat lots of pumpkin pie
25. Bike to see all of the colorful trees
26. Enjoy the brisk cool air before winter hits, then I will do things listed in Section 3 ← try to use a reference for the numbering

3 Winter

The following is a list of things I will do this winter

- (i) Ski
- (ii) Do tons of science
- (iii) Drink lots of hot chocolate

4 Formatting

The following is a list of my favorite formatting combinations

- favorite
- **favorite**
- **fav**orite
