Exercise 3: Attempt to replicate the following in black text. (**HINT:** You are going to need the `graphicx` package. Also note that the margins for this document are 1.5 cm all the way around which can be done using the `geometry` package.

Below is my scientific idol. ← download your own photo to include but make sure it is in the same folder as your .tex document

Figure 1: *The* Lord Rayleight

Below is a list of three random US presidents and some information regarding them.

No.	Name	Party	Term Start	Term End
2	John Adams	Federalist	March 4, 1797	March 4, 1801
25	William McKinley	Republican	March 4, 1897	September 14, 1901
39	Jimmy Carter	Democratic	January 20, 1997	January 20, 1981
